

HIGH SCHOOL COURSE SELECTION

Requirements/Credits

Credits Necessary For High School Graduation: 22 Credits

(This is based on KY's requirements, each family is responsible for knowing their own states graduation requirements)

The following subjects completed earn **one** credit per year:

Required Subjects for Graduation

Religion	4 years	English	4 years
Government	1 year	Science	3 years
Mathematics	3 years (If Algebra I was taken in 8th grade, high school credit will apply)	History	3 years

Elective Subjects

Latin 1 - 4	Spanish 1 or 2
Marine Science	Christianity and the Eastern Religions
Economics	Physics (Saxon)
Advanced Math (Saxon)	Pre-Calculus (Math U See)
Environmental Science	Calculus (Saxon or Math U See)
Chemistry	

The following electives are offered by OLRS and earn $\frac{1}{2}$ credit per year:

Home Economics 1 – 4	The Research Paper
Bible Study	

Families may choose their own electives that the school does not offer such as P.E., art, music, trades, technology, anatomy, financial literacy, horticulture, auto mechanics, woodworking, and life skills. You may list these in the “other” section of the Google Form. All credits earned outside Our Lady of the Rosary School are subject to review and approval.
